Approved Technical File completed on 19 /03 /2015

**Applied Standards:**

EN 10592:2000 Small Small craft -- Hydraulic Steering Systems Requirements

**Marking of Product:**

This Certificate is concerned with the design of the product, only. In order to fully meet with the requirements of the Directive and legally affix the CE mark, the manufacturer must also have the final product and/or production assessed according to Conformity to type (Annex VIII/Module C) or Production quality assurance (Annex IX/Module D) or Product quality assurance (Annex XVI/Module E) or Product verification (Annex X/Module F) and finally draw up an EC declaration of conformity.

**Hür FIRTINA**

Head of Mat. & Pro. Cert. Dept.

**Terms and Conditions:**

The product liability rests with the manufacturer or his representative in accordance with related Council Directives. The certificate holder has to inform Türk Loydu of all modifications to the approved product which must receive additional approval where such changes may affect the conformity with the essential requirements or the prescribed conditions for use of the product. This additional approval will be given in the form of an addition to this original EC Type-Examination Certificate by Türk Loydu. Any changes in design or construction of the product or any changes or amendments to the Directive or any changes or amendments in the standards which form the basis for documenting compliance with the essential requirements of the Directive may render this certificate invalid.

*If any person suffers loss or damage which is proved to have been caused by any negligent act or omission of Türk Loydu, that loss is compensated within the limits of "Professional Indemnity Insurance".*
